

PUTT EVOLUTION City

CONNECT & COMPETE!
NEXT LEVEL INDOOR MINIGOLF

ENLIGHTEN YOUR GUEST'S MINIGOLF EXPERIENCE

Putt EVO expands the genre of indoor minigolf attractions and takes the crowd favourite to a new level! The special and innovative feature of Putt EVO is not only the modern design of the minigolf courses, but above all the various built-in lighting effects and features.

12-36 MONTHS
TO RETURN ON INVESTMENT

Achieve annual net revenue of
around 400,000 EUROS
at 40% capacity utilization.

- **Indoor experience, weather-independent**
- **Adjustable light effects**
- **High quality and durable materials**
- **High replayability**
- **Large selection of available courses**

MAKE YOUR PUTT EVO SYSTEM UNIQUE!

The catalogue of holes and courses available offers a wider range of different types of sizes, challenges and colours with the possibility to alter theming towards your own branding. This makes each course unique and ensures that players create unforgettable experiences!

"We were looking for a weather independent indoor attraction that would offer our guest a sporting challenge and a high level of multi-playability. It was important for us to leave a lasting impression on our guests. We succeeded in doing this with the Putt EVO concept and its impressive light features."

Mikkel Enevoldsen
Sharks Poolhall & Minigolf Aarhus, Denmark

**GRAB YOUR PUTTER AND CREATE
THE INDOOR MINIGOLF EXPERIENCE
OF THE FUTURE!**
